

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

In the 2012-2013 school year, Ridgeview Elementary received an Overall State Rating of Level 4 = Falls between 44% and 90% of schools.

Every school in Springfield receives a rating that is designed to promote school accountability and assist educators in improving schools. The report card includes assessment results by race/ethnicity, gender, disability status, migrant status, English proficiency, and economically disadvantaged showing a two-year trend data for each subject and grade tested.

We encourage you to read how the school performed in each of the areas. Then, see how the school did overall and where it has the

greatest strengths and where it needs the most improvement.

These reports are readily accessible to the public on the Oregon Department of Education Web site and provided to parents by their students' schools through various means. <http://www.ode.state.or.us/data/reportcard/reports.aspx>

For additional information about the school, parents and community members should contact the school principal or the district office.

Thank you,

Principal | Jim Crist
