

Dear Parents and Families of TES Students,

Please read the do's and don'ts of parent pick-up and drop-off. We, as TES staff members, want these times of day to run efficiently and smoothly to save you time. But more than that, we want your children to be SAFE during these busy times of day. We hope you find these guidelines helpful. Ask your child's teacher if you have additional questions. Thank you for your commitment to keeping all children safe.

TES Staff

Do

- Pull as far forward as you can, so you're right behind the car in front of you.
- Have your child ready to exit the vehicle quickly at drop off.
- If you are parking and crossing the line of traffic to meet your child, USE THE CROSSWALKS (and wait for a safety patrol student to stop oncoming traffic).
- Wait in the designated parent waiting area if you are not in your car (see map on back).
- Treat our staff and safety patrol members with respect. They are working hard for the safety of your children.

Don't...

- drop your child off at school before 8:15. They cannot enter the building until then, and they are unsupervised.
- stop at the cafeteria door if dropping your child off for breakfast. Pull as far forward as you can, and we will get them in to eat.
- pass on the left unless asked to do so by a staff member.
- park in a disabled parking space without a placard clearly displayed.
- stand in front of the students sitting on the steps at pick-up. It blocks visibility.
- park on Thurston Road and expect your child to walk to your car. Parking in a bike lane is illegal.
- expect your child to cross traffic without you.
