## 2018-2019 Supplies

Some basic supplies are needed throughout the year in order for your child to have the "tools" used in learning. These supplies make learning easier and help your child learn organizational skills. An "X" indicates needed supplies; numbers in cells indicate quantity required. Though a **backpack and non-skid shoes for P.E.** are optional, these items are encouraged. The teacher may ask you to replenish supplies as needed throughout the year. (This list of supplies is not meant to last the entire year.)
