

SCHEDULE FOR THE DAY

For your childrens' safety they should not arrive at school before 8:30 a.m. unless they are participating in the breakfast program where we have planned for their safety and care. Supervision for all students is available from 8:30-2:43. If you need to pick up your child during the day before dismissal, come to the office and sign your child out, and in if you return your child to school. This assures for the safe accounting of every child during the instructional day.

Children must go to their regular destination after school unless they have **written permission** from you. If your child is to be picked up by someone other than you OR there is a change of destination requiring a different bus stop OR bus, please send a note and talk with your child about the plan. Changes requiring a different bus require a "Special Rider Permit" available through the office and must be completed well in advance. Bus changes are approved on a space available basis. Students are expected to leave the school grounds immediately upon dismissal. Students who stay after school for activities are responsible to the adult leader of that group.
