	2	School Resumes

WEATHER CLOSURE INFORMATION

The District office has released the following updated information for parents regarding weather closures. In the event of a weather forecast predicting possible snow or ice, designated staff take to the road between 4:00 and 6:00am to assess travel conditions on the bus routes. They also take radar maps and forecasts into account, and will determine by 6:30am at the latest whether schools will be closed, on delay, or operating as usual.

In the event of a weather closure, all after-school activities are cancelled, including athletic games, practices, and building rentals. The district uses a FlashAlert service as the primary means of getting information out to the public as quickly as possible. To use this online service, visit the district website at www.sps.lane.edu/weather and click on the FlashAlert link. (You can also access this page by clicking on "Weather" under Hot Topics on the home page.) You may register on the FlashAlert site to receive text or email alerts directly. You can also tune into the local TV stations (KEZI-TV 9, KVAL-TV 13, and KMTR-TV 16) and local radio stations. If you don't hear any information about Springfield Public Schools, you can assume that the schools are operating on their normal schedules.

If conditions warrant it, families who live at certain higher elevations may need to bring their child(ren) to a lower elevation to catch the bus. The district has developed snow routes that may be used if hazardous road conditions exist. If buses will be running snow routes, it will be clearly communicated on the website as well as through local media. Snow routes will be posted on the district's website at www.sps.lane.edu/busroutes.

WINTER HEALTH REMINDER

If you send your child to school after an illness, your child is expected to attend all regularly scheduled activities with their class throughout the day, including recess. We do not have an area with supervision set aside to accommodate students who are kept from participating in recess with their class. In addition, if your child has had a fever or vomited within the previous 24 hours, they should not be sent to school. Thank you for observing our school's policy in this matter.

A huge THANK YOU to all those who gave their time to help at another successful Book Fair!
