A FEW REMINDERS

Traffic Flow - We have been asked to remind everyone that it is very important that vehicle entrance and exit signs are complied with, especially during those times when buses are present and parent drop off and/or pick up traffic is heavy. The safety of our students and parents is of utmost concern. Also, please remember that it is imperative that students are under your close supervision at all times in our parking lot but especially when traffic is heavy before school and after school.

Church Release - The expectation by both the Church Release teacher and Walterville staff is that if your child is signed up to participate in Church Release, they will attend each week. It is important for us to be able to account for all children in our building at all times (emergencies are always unexpected) and when kids come with a note to excuse them for a Church Release class here and there it makes accounting for our students more difficult. If you or your child feel like they might be missing important instruction time and/or fun activities at school you may want to consider opting out of the program by sending a note signed by a parent.
