	25	Special Guest Luncheon
	26	Early Release (release at 12:30pm) Fall Fair @ 5:30pm

Curriculum Night

We hope to see you at Curriculum Night on Thursday, October 4th at 6:00pm. It is a great opportunity for parents to have a better understanding of the daily experience of our students and to learn more about what they are learning. We will begin the evening in the gym, where your child will perform something they learned in music class with Mrs. Marxer. Following these short music performances, Mr. Hulbert will give you key information about *Caring School Community*, our goals for the year, and how parents and guardians are a vital part of our success plan! After these important messages from Mr. Hulbert, families will fan out to classrooms to hear from the teachers. We hope to see you there!

News from the Health Room

As cold and flu season has already made its presence known, please keep an eye out for symptoms. Any child with a fever of 100 degrees F or above (before fever-reducing medication is given) should be kept home from school. Remember, children who have stayed home because of a fever or vomiting must be symptom free for 24 hours before

returning back to school. Please promote the same hand-washing guidelines and cough/sneeze etiquette at home. Whether you keep your child home or if your child is sent home, please limit the child's contact with other children during the illness. Be sure your emergency contact information is up-to-date. Please call the school office if your child is ill and staying home from school. 541-744-6415.

Please be aware that all doctor prescribed and over the counter medication (example: cough drops, aspirin, Tylenol, sinus, cold or allergy medications, etc.) **MUST** be brought to and from school by an adult. Please bring all medication in the original container to the office and fill out a form specifying instruction for the school nurse to administer your child's medication at school.

After School Dismissal

We are experiencing a high volume of student pick ups this year. As a result, the office is a really busy place during checkout. There are many times when there is only one person available to check out students, answer the phone, assist students and/or parents, etc. Because of this, we ask that whenever possible parents avoid making last minute transportation changes that require you to call the office to accommodate. We ask, as always, that you send a note for your child to drop off in the office when that student will be doing something different than he/she ordinarily does. That way, the office, the bus driver, and teacher will know. It also helps ensure that your student knows what the plan is. Finally, remember that it is important that you let us know if someone we have not met before will be picking up your child at school. Your child's safety is of the utmost importance to us!

PICTURE DAY - October 17th

Wear your best smile!

Sing with the Oregon Children's Choir

The Oregon Children's Choir welcomes K-12th graders to join one of our fun and inspiring choirs for the 2018-1029 school year! Develop new singing techniques, learn new songs and make new friends. Choirs meet once per week and perform four concerts per year. Scholarships and sibling discounts are available. Registration and information at <http://www.oregonchildrenschoir.org/>

PLEASE SLOW DOWN

Please remember that it is extremely important to drive slowly and safely in the school driveway, especially when students are coming to school or going home from school. We always have adults in the bus zone, but it is up to all of us to be sure our kids stay safe around traffic. It is also important to use the designated entrance and exit areas, especially at arrival and dismissal times. *Students should not be dropped of at the bus loading zone when buses are present.*

ANNUAL NOTIFICATION TO PARENTS

In order to more efficiently serve parents and patrons, Springfield Public Schools website has been updated to include information, in part, pertaining to annual parent/student notification such as Student Responsibilities & Rights Handbook, A Note to Parents About Directory Rights, Parent Notice Concerning Student Records, HIV/AIDS Curriculum Announcement, Teacher Qualifications, Parent Review of Materials.

To review the above information, please access the website at www.springfield.k12.or.us. Parents and patrons may also contact the school office for printed copies of any of the above documents.

REMINDER ABOUT REAPPLYING FOR FREE AND REDUCED LUNCHES

If your child was on Free or Reduced Breakfast/Lunch last year, they are still on that program until October 14 (by default, to help with the transition back into school). If you have not re-applied for the 2018-19 school year, your child(ren) will fall back off of the roster for this assistance program, and *they will begin to be charged regular price for each meal.* [Click here](#) if you need information about how to apply (including how to apply ONLINE), income guidelines, where to turn in applications, etc.
